

outboard

Large outboard motors for demanding users

E'DYN

# Heavy duty

## HIGH PERFORMANCE QUALITY

Optimal. Durable. Economical.

Top notch outboard motors with a power up to 25kW enable immense pleasures of silence in slow driving or in achieving speed records. Fixed motor mounting makes it easy to use. You can choose between steering wheel or steering lever. It's up to you.

**E'DYN WAS CREATED WITH  
ONE THING IN MIND  
- THE CUSTOMER.**

## FOR EVERYDAY USE

Customized.  
Durable.  
Jumped.

The Perfect series has custom batteries. These, with their minimal weight and high power, ensure long operating autonomy.
